Companion Life Insurance Company is a national corporation offering insurance products and services that address the realities of today's business environment. We are a single source for life, disability, critical illness and dental insurance programs. Our core values — coupled with our financial strength, product offerings and commitment to agents and general agents — have kept us an industry leader for more than 50 years.

Integrity

Our focus is on you. We care. We strive to maintain our standing as solid corporate citizens. We conduct all transactions in an ethical manner. We always act in the best interests of our policyholders and marketing partners. We reward loyalty. We're dedicated to ensuring mutual growth and supporting long-term partnerships. Everything we do reflects these core values.

Flexibility

We are a company powered by an external network of agents, underwriters and producers — all supported by our diligent staff. Our financial and organizational stability allows us to showcase an operational flexibility unique in our marketplace. We just earned our 18th consecutive A+ rating from AM Best. We nurture strong relationships with partners, brokers, general agents and managing general underwriters. These relationships are built on integrity and trust. Because relationships are the driving force of our business.

Accessibility

We listen. We learn. We focus on the future. We utilize technologies to broaden our digital capabilities and streamline processes to make us more competitive in the field. Ultimately, it is our people and the relationships we forge that set us apart. Accessibility to upper management and decision-makers helps cement strong relationships. If you haven't done business with us yet, you should get to know us.
